Work Experience

Junior Graphic Designer April 30, 2026 - Current
Hyperspace Props

- Designed card games, decks, and product packaging using research-driven Star Wars visual language to create authentic, narrative-focused designs consistent with established in-universe aesthetics.
- Created branded social media, promotional, and Etsy graphics that translated product concepts into cohesive visual marketing for Hyperspace Props.

Graphic Design Intern May 19, 2025 - August 8, 2025
Harris Media Group

- Collaborated with the Design team to create high-quality digital graphics and social media content while following brand guidelines.
- Gained experience with design theory, AI, and cross-functional collaboration through weekly trainings and projects.

Student Secretary Sept 13, 2024 - April 11, 2025
Brigham Young University-Idaho

- Created and organized the weekly newsletter emails informing students and community members of upcoming events.
- Assisted in restructuring the brand for both the College of Performing and Visual Arts and the Snow Society, including designing banners, brochures, and pass-along cards.
